

PROVISION FOR GENERAL FUMIGATION SERVICES AT UGHE

The University of Global Health Equity (UGHE) is committed to maintaining a safe, hygienic, and pest-free environment for its staff, students, and visitors. To achieve this, UGHE requires professional fumigation services to address pest issues in all campus facilities, including residential, academic, and administrative areas (UGHE Butaro Campus and Kigali Height offices). In addition, the clerkship student accommodations in Kigali, namely Kacyiru House, Kanombe House and Kirehe House, are housing facilities that used by students undertaking clerkship program at UGHE under supervision of academic logistics team

To ensure a safe, healthy, and conducive living environment, there is a need for professional fumigation services to prevent and control pests and other infestations within these accommodations.
